

Happy Holidays

Happy Holidays is the perfect activity to end the year. There are stories from Myrtle the Turtle - Rocking Croc teaches the children his favourite dance moves to his favourite songs and gets everyone up and dancing to his favourite music - and all the while Cheeky Monkey is constantly interrupting everything because he just can't wait to see Santa.

Happy Holidays is two activities in the one presentation. The first half is puppets, stories, singing, dancing and wonderful magic tricks, while the second half is a visit from Santa Claus himself.

Depending on what you require, Santa will either give out your presents, be there for photos or he is happy to hear what each child is wishing for, for Christmas. Most centres want Santa to do all three and he is more than happy to oblige.

With its combination of colourful puppets, fun activities, magic tricks and an impeccably dressed Santa, Happy Holidays is ideal for your centre's end of year party celebrations.

Total time is between an hour and an hour 15 minutes. The first activity with the puppets, dancing and singing is about 30 minutes and this is followed by 30 to 45 minutes of Santa depending on the number of children at your centre.

What schools have said about Hugh's other pre-school shows:

The children were happy, engaged, enjoyed the puppets, dancing and singing and laughing.

Nikolina. Bonnyrigg Early Learning Centre. Bonnyrigg. NSW.

The children were laughing and clapping having fun right from the start of the show until the end. The staff and children thoroughly enjoyed the show, it had a variety of elements like singing, movement, colour recognition and a fun story line.

Liz Butler. Kindalin Child Care Centre. Glenhaven. NSW.

Great show, well designed, fantastic props and "Eno the Elf" was loved by all the children. Very engaging and interactive. Hugh was great. He held the children's attention with his enthusiasm and pacing of active/quiet moments in the show. Set up and pack up was a breeze. Thanks again for a fantastic show!
