

Meet My Friends

Teaching kids to play together.

A fun blend of drama, stories, poetry, puppets and colourful props. Funny, visual, light hearted, Meet My Friends is designed to encourage children to play nicely and resolve their differences.

Four and a half year old Louise has come home crying from kindergarten and is not keen to tell Grand Dad (Poppie) why no one wants to play with her. Poppie persists and discovers that his puppet granddaughter Louise is very demanding and is trying too hard to make new friends at the kindergarten.

Poppie soon has Louise and the audience playing together as they sing songs together and are engrossed in the story of another young child who was having trouble fitting in.

Meet My Friends is great because it is teaching the children appropriate play and how to be a good friend and the knowledge they need to play nicely. The show was fantastic and the children loved it. The performer captivated the children straight away, the children laughed, smiled, felt comfortable to get involved! Amazing!!
