## Miss Belle's Bubbles

## Stretch! Float! Pop!

Miss Belle's Bubbles are in town and Miss Belle is ready to astound you with the stars of her show, her Be-dazzling Bubbles. She will have bubbles jumping through hoops and bouncing with delight. It's a race against time to blow the "Greatest Bubble on Earth".

Help the illusionist make the most magical bubble mix.

Meet the majestic soap bubble that just keeps multiplying. Count along until the room is festooned with beautiful, big, bright bubbles.

Double bubbles? No troubles! Your little ones will be amazed as they witness the world's tallest, weirdest and the trickiest acrobatic bubbles. One brave child may even get to stand inside a giant bubble.

There is loads of audience participation as children sing a rainbow bubble, dance up a bubble storm and balance them on their heads. What shape bubble can you blow and

how many bubbles can you pop? It's unstoppable, poppable fun.

With loads of comedy, magic, circus tricks, and loads and loads of beautiful bubbles, Miss Belle keeps the whole audience involved as they enjoy all the fun of Miss Belle's Bubbles.

What others have said about Heidi's shows: Excellent. The children were very excited before the show and they were not disappointed. Heidi is very professional, highly talented and her dynamic presence, voice, expressions, comedy and characters meant that the performance was totally engaging.
