What others have said:

The students and staff TOTALLY enjoyed Zohab!!! Thank you so very much! I've had 6 Year 6 boys come asking for poetry books and reading 'prose' novels - where the whole novel is a poem. Sensational result!

Zohab was FANTASTIC...the students were enthralled by his performance.

Roz Chamberlain. Newcastle Grammar School. NSW.

I strongly recommend he visit your students to share his uplifting and positive art as well as gracious, generous personality. He is a total gem, and of particular inspiration to young listeners who may view poetry in a jaded way. *Janet Haigh. Saint Maur International School. Yokohama. Japan.*

In performance, he prowls and growls and hisses and grins, bends his body like a coat-hanger into various unlikely shapes, and seems to live his poems through his limbs. *Mark Dapin. Journalist. Sydney Morning Herald*

He embodied multiculturalism and used its value as a theme.

Douglas Glenn. Suzhou Singapore International School. Suzhou. China.
