Making children aware of their Environment.

Planet Tidy is a colourful collection of short segments with the common theme of taking care of the environment. Children are shown how everyone doing a little, like putting their litter in the right bins, turning off the tap and switching off the light can make a big difference.

The variety style format allows this show the flexibility to swap between performance genres, giving the performance a lively energy and pace. Rap and opera singing green peas and peas doing im-pea-sonations, morphing puppet fish reciting poetry, a giant clam, shark and hippopotamus are just a few of the colourful characters used to explore the many ideas raised in the show.

All these puppets, props and beautiful illustrations are accompanied by fun songs and simple dance moves that gets everyone up and moving. It is this variety of images and combination of watching, listening and audience participation that all work together to convey the concepts and ideas dealt with in Planet Tidy.

Henrietta Hippo wants to help keep our planet tidy and she has lots of questions for young Stef, the presenter. Henrietta's constant questioning, "But why?" and "How?" provide not only lots of humour but the perfect way to help children understand in simple terms what they can do and why they should help, to keep our planet tidy.

What other pre-schools have said: The show was absolutely amazing and the kids loved it.

Kerrie Topalidis. Shining Stars Childcare Centre. NSW.

Very engaging and interactive. Great message for the children. They were very excited and sat for the whole time listening carefully. *Lauren Barbera. Kings Road Long Day Preschool. Castle Hill. NSW.*
